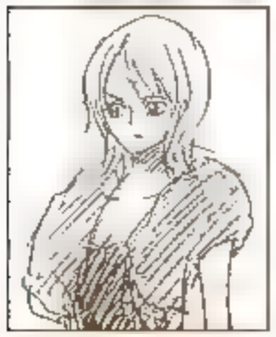
などなど、他にもビックゲストの方々に協力して頂いておりますが、
いやーもうスゴすぎて恐ろしいです。勿論、水面下では色んな人達の苦労と
好意があっての実現なんですが、まあ、ここではそれは置いときましょう。
さー、こうなってきますと、大事なのはそう、中身ですよー!!
中身がダメでは、関わってくれた人々みんなで大恥かいて終わりですよ。
そうはさせぬと、任せて下さい僕今回、初めてシナリオ書いちゃいました。
なかなか納得いくものができず、1度書き上がったシナリオを捨てて、
全部書き直すなんて事もやりました。
お陰で3月の公開予定が12月になっちゃいましたが、それもこれも
いい映画にする為です。テーマは"興奮"!!
映画館を出た瞬間みなさんが、ウオーッと叫びたくなる様な、何回観ても楽しめる
熱いストーリーを目指しました。

←ハイ、このおっさん。
"金獅子のシキ"という、
海賊王ロジャーや白ひげ達の時代に大暴れした
大海賊なんですが、
何やら20年という潜伏期間を経て、
とある計画を始動させちゃったんですが、
そこに出くわした僕らの麦わらの一味、
そして何やかんやありまして、航海士ナミさん、
シキにこんな事を言います。



「仲間にして下さい。」
何ィー!? ナミさんに一体何があったのか!?
そんな事ルフィが許すわけありません。
そしてルフィ達はシキの計画の全貌を
知っていくのであります。
手に汗握って下さいコノヤロー!!
——そして、この金獅子のシキ、一体どういう海賊だったのか、何と25年前までさかのぼり、シキの姿、
そしてロジャーとの戦い、処刑、そして当時の世界の人々の様子などを描いた"ONE PIECE"第0話。(23ページ)を
読み切り漫画として描きました。

昔の七武海や昔の海軍、ロジャー海賊団も描きましたよ。
そしてその読み切りは、映画を観てくれた人達
先着150万人の方々にコミックスサイズ(約80Pの冊子)
「第0巻」としてタダで配られるそうです。

そこで何やら聞きなれない言葉⬇

ん?? なんかすごそうだけど何じゃそりゃ!? という肩書きがついております。
まー早い話、責任者です。映画全体の、特に設定段階に深くかかわり、その後も
完成まで色んな事をチェックチェック!! 僕の納得いかないものは
世に出しません! この映画観て、つまらなかったら僕のせいにしていいよー、と。
まあそんなわけで僕も必死ですよ。すげー人達の力も借りたいと、わがまま

映画監督の人と製作総指揮の人のショートコント〜!!

O：では映画を作る上で一番偉い人、呼んでみましょう!! 現場の大親分、境オヤビーン!!

S(境)：はいオヤビンでーす！ …恥ずかしっ！

O：言わなきゃいいのに。

S：ノってあげたんじゃん！？

O：ね、みなさん、優しい人でしょ？ じゃあさっそく映画について話しましょうか。TVと映画って何が違うんですか？

S：そこから!?

O：そうですよー。僕なんか子供の頃、一緒じゃんかって思ってましたよ？

S：んー、そうだなー。まず、準備期間が長いでしょ。という事は裏設定なんかまで、よりしっかりと作り込む時間があるという事ですね。

O：じゃあ作品の端々まで楽しんじゃってよーみたいな事ですか。

S：そう。製作時間も長いから、1シーン1シーンに手間をかけられるんで、細かい芝居なんかを作り込めたり、背景の密度もかわって来ます。関わるスタッフの数も倍以上いますからね。

O：動画枚数ってやつが違うんでしょ!? あの1秒間に3枚より6枚描く方が断然いい動きになるとかってやつ。

S：うん。動画枚数は映画の方が勿論増やせますけど、今回は特に、例年の比じゃないくらい枚数は増えてるんすよ。作画監督の佐藤さんの絵にも何ていうか〝華〟があるし、上がって来る映像に、スタッフみんなが毎回、手応えを感じてたって状態でねー。おれ達スゲー！ みたいな。

O：最高っすねそりゃ!! あーコレ観に行っちゃうわ…鼻血出てきた。

S：あんたコッチ側でしょ。

O：あ、そうでしたコッチ側だ。観客になっちゃった。

S：後は映画と言えば映画館の大画面は勿論、音響かな一。5.1チャンネルの音響の迫力はぜひ映画館で聴いてほしい。

O：ご家庭じゃムリですからねアレは。後ポップコーンとコーラね。じゃあ境オヤビン！ 監督として最後に何か言ってください。

S：とにかくこの「STRONG WORLD」に自分の演出家人生で得た力を全部出しました！ そして自分が思う、今の原作ONE PIECEを思いっきり表現しました！ ぜひご覧下さい!!
今日のゲストは製作総指揮役の尾田栄一郎さんでした！

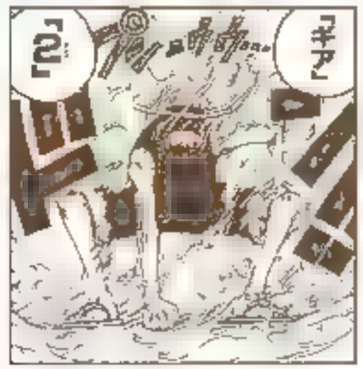
O：はい、どんどん続けますよ。
今度は映画の裏側のお話をしましょう。僕の名前が出るからには、今までの映画と明らかに違うものを作らなきゃなりません。今回は東映アニメーションという会社の垣根を飛び越えて、さまざまなジャンルのエキスパート達を引き込んでおります。絵柄は原作に徹底的に合わせて貰いました。
さらには映画製作期間をいつも以上に引き延ばし、作画・色彩・背景・絵に関する全てをじっくり描き込んで貰っています。他にも力を入れた部分は多々ありますが、この辺で切り上げて、今回みなさんに紹介したい、この映画に1番大事な人がいるのです!!

境★ザ★宗久監督!!

この映画に僕が関わる事になった時、1番始めに言ったわがままは、監督は境さんじゃなきゃいやだー。です。何といってもこの人と僕はもう10年来のつき合いで、ONE PIECEアニメ立ち上げからTVアニメ監督の1人として作品を支えてくれた人物であり、更に何巻かで紹介しましたザ★宇田鋼之介〝初代〟総監督の後を継ぎ、二代目TVアニメ総監督を務めてくれていた所をこのSTRONG WORLDに引き抜いちゃったというわけなのです。

明らかな実力者で、何より、ルフィ達のキャラクターをよ〜く理解してくれています。
ぱっと思い浮かぶTVアニメにおける境さんの名演出の回といえば、チョッパー編でのラスト、桜が咲く回の演出、そしてエニエス・ロビーでのルフィ〝ギア2〟初披露の回は超カッコよかった。
他にも数々の名演出をやってきてくれましたが、つまり、〝感情〟の演出も〝アクション〟の演出も幅広く表現できる信頼の男なのです!!



尾田栄一郎、描き下ろしモンスター総数60体!! OP映画史上空前のスケール！ 開幕!!

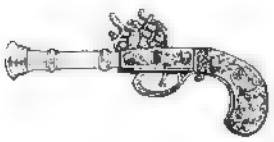
I get really antsy when I'm not reading a book. In other words, I'm a print addict, if you will. Just kidding. I just wanted to say that. And here comes volume 57!

-Eiichiro Oda, 2010



Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Oda(A): Okay. Let's start the SBS! Let's go! Yeah!

Reader(Q): Mr. Oda. Good morning/day/evening. My friend Shota, (you can call him Mr. S if you want), really really likes Kana (you can call her Ms. K if you want). But Kana is dating someone else. What should I do?

--D. Hosokawa (Age 14)

A: Oh, okay. You're on your own! Yeah!

Q: Hey, Odacchi! I got a question for you! Can the former Baroque Works Mr. 1 cut anything with his "weiner"?! I really really can't stop thinking about it and it keeps me up at night!

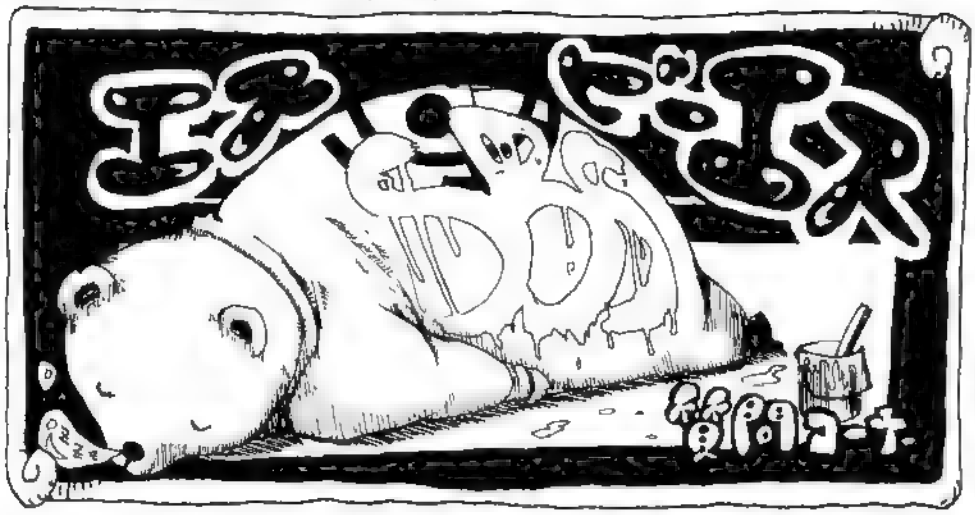
SBS Question Corner



(Make Me Law's Girl, Hiroshima)

Q: I see Luffy eat a lot but he never gets fat. Now I'm jealous. --Chikusa 10422

A: Hold on. He eats a lot but he also runs around a ton. It'd be weird if he got fat.

Q: I have a question. Whenever the Straw Hat Pirates defeat enemies, they only use the word "defeat." As it describes, I'm guessing that none of the enemies are dead. So is the reason why you don't use words like "kill" or "crush," because you're insisting that you "don't put an end to their lives?" Or is there some other reason for it?

--Tochisaki

A: Near the beginning of my serialization, my grandma in Kumamoto said, "Don't say stuff like 'kill this' or 'kill that' too much." It's natural for Luffy and his crew to not say it, but I think it's inevitable that the enemies do. But every time a friend or acquaintance died, I matured and understood how bad those words really are. Well, I still use those words as part of jokes or when they're said by REALLY bad guys. But I do think that they're bad words. So don't try it at home, okay?

Q: Is Urouge's weapon a pencil? Or is that a chocolate bat? --Puffball No. 1

A: It's a pencil, I guess. So because Urouge couldn't find a pencil sharpener, did he go out to sea to get one? (Is that a 2B pencil?)

Q: I represent the northern Kanto region and came for an official request. Please make Whitebeard's birthday April 6 since it can be pronounced to sound like Shiro (White).

--Wealthy Class in Gunma

A: Okay.

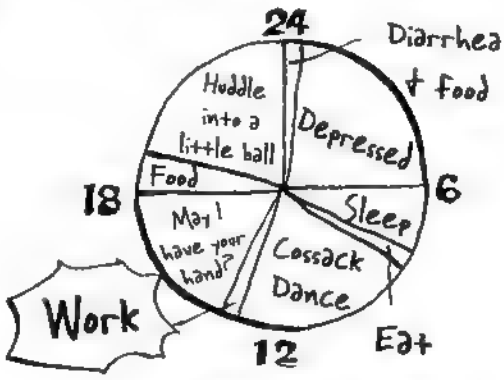
(Skull Yukichi, Iwate)

Q: Odacchi! Hi! I have a serious question. Tell me about your daily schedule!

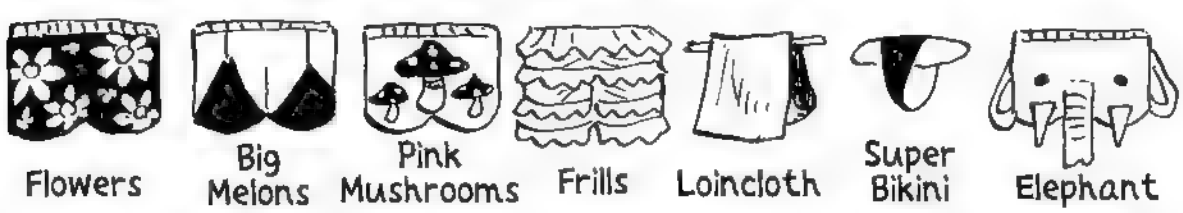
--I'm Glad I'm Japanese

A: A serious question! All right. My schedule looks like this. ➡ Use it for reference if you want to become a comic author!



Q: I remember laughing my head off in volume 55, chapter 537, when I saw Hannyabal's underwear. It had a strawberry pattern, didn't it? Does he like cute underwear like that? Aside from strawberries, what other underwear does he have?

A: I'm glad you noticed Hannyabal's horrible taste in clothes. But I do hear that Hannyabal's collection is quite something.



Q: What's up!♡ I'm a girl! Oh! I love fish cakes. By the way, there's something I want to ask you, Odacchi! Are Inazuma's glasses (or sunglasses) 3-D glasses? They have different colors so it made me do a double take. If they weren't 3-D glasses, wouldn't everything look jumbled up because of the different colors? Please tell me!=3

--Masaking

A: I see! I guess that would be it. Well, he would be able to see all the 3-D movies he wants. But everything he sees will start jumping out at him because of those glasses. Like when he'd see kids on the curb, he'd yell out "Look before you walk!" to them. Or when he meets Wanze, he'll go, "Your eyes are popping out way too much!" Wait, I guess his eyes have always been like that. Yup... Oh, yeah. I think those are 3-D glasses.

Q: Will Hancock fall in love when she meets me?
--Native Hokkaidoan

A: You're HannyaBal, aren't you! I just know it!

Q: Hello, Mr. Oda! I have a question. Are the three marine "admirals" based on…?

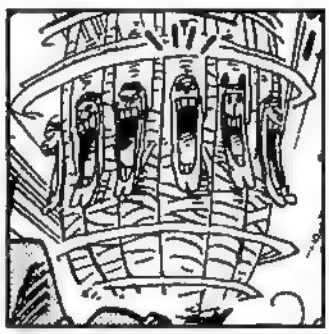
Aokiji ⬇
Yusaku Matsuda

Kizaru ⬇
Kunie Tanaka

Akainu ⬇
Bunta Sugawara

Am I right? I'm sorry if I'm not. If possible, can you tell us the reason for picking them too?!
--Mossball

A: Yup. You got all of them. The readers that are still in school right now probably don't know who they are. They are all great Japanese actors. As for why I chose those three, it's because I like them. For Bunta Sugawara, I wanted to use his face from the movie *Battles Without Honor or Humanity*, but his distinctive crew cut hairstyle is hidden under his hat. In short, you can pretty much ignore this because it's just a personal preference of mine. To all the people who didn't know, just think of them as awesome-looking old men. (By the way, he also voiced a role in *Spirited Away*.)



Q: On page 183 of volume 55, Bon turned into Panda Man when he was spinning around. Has Bon touched the face of Panda Man before?
--Man Who Ate the Skinny-Skinny Fruit

A: Hey, you're right! It's there! That does make it true that he touched Panda Man's face. But I have no idea when he did it. Bon has so many surprises.

Q: We sometimes see people or giants with horns. Are horns like buckteeth in this world?

--Wozapomu

A: Yup. They're there. Sometimes you doubt if they even have the same physiology as other people. Well, just think of them as minor displays of personality. I want to keep drawing many more funny faces.

Q: When I was talking to my friends about *One Piece,* there's one thing I noticed. I realized that you never call Luffy and his crew the "Straw Hat Pirates" and never the "Luffy Pirates." You always call them the "Straw Hats" every single time. Is this a policy of yours?

--Polici

A: Oh! Here we go again. A great guy that sees through it all. You're right. You're exactly right. What the anime, games, or readers call them is really none of my concern. They can call them whatever's easiest for them. But for me, I've decided to always call them the "Straw Hats." I've never called them anything else. Well done.

Q: There's one mushroom on my body that just won't come off! Should I go to the Women Island to get it pulled… Hm?! I see that you got a mushroom on you too, Mr. Oda. Do you want to come with me?

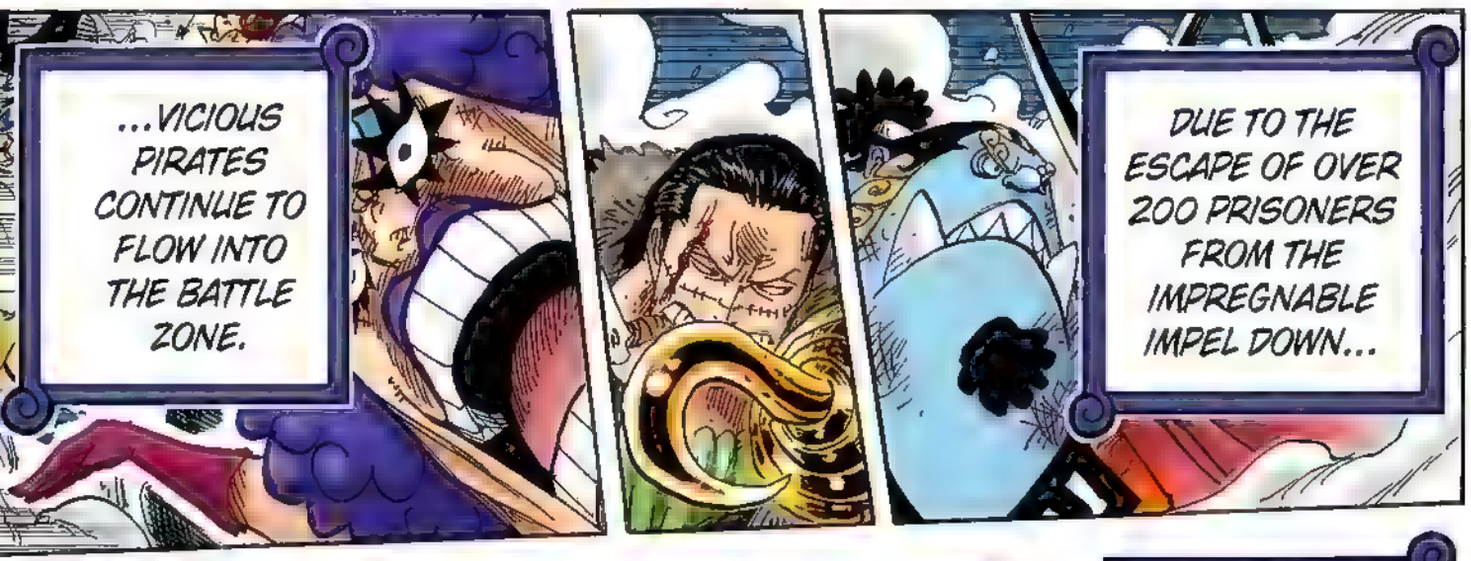
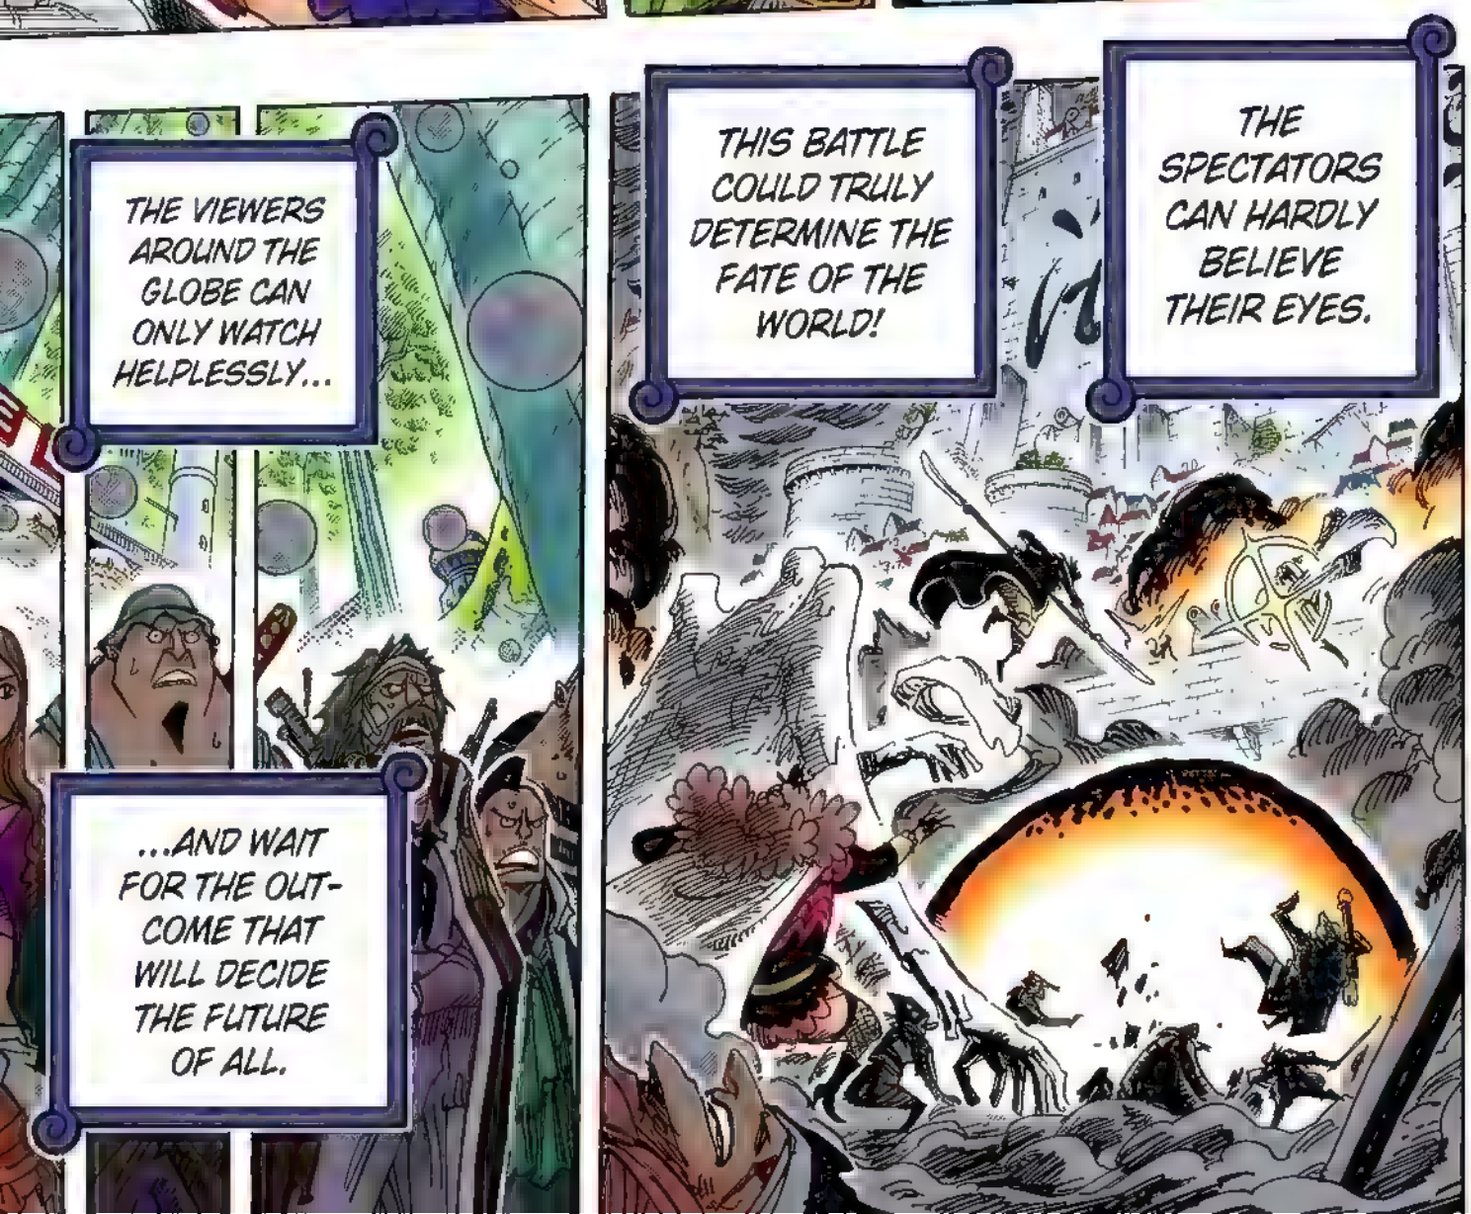
...MANY TRUTHS ARE REVEALED ONE AFTER ANOTHER.
ゴアアアアアア...!!
AS THE SCHEDULED TIME OF EXECUTION DRAWS NEAR...



...VICIOUS PIRATES CONTINUE TO FLOW INTO THE BATTLE ZONE.
DUE TO THE ESCAPE OF OVER 200 PRISONERS FROM THE IMPREGNABLE IMPEL DOWN...



THE VIEWERS AROUND THE GLOBE CAN ONLY WATCH HELPLESSLY...
...AND WAIT FOR THE OUT-COME THAT WILL DECIDE THE FUTURE OF ALL.
THIS BATTLE COULD TRULY DETERMINE THE FATE OF THE WORLD!
THE SPECTATORS CAN HARDLY BELIEVE THEIR EYES.

EVEN THE CONTRAPTION AT THE BAY?
YES SIR, EVERY-THING.
FLEET ADMIRAL! THE PREPARATIONS ARE COMPLETE!

THEY'RE GOING TO KILL ACE NOW?! BUT IT'S NOT TIME YET!

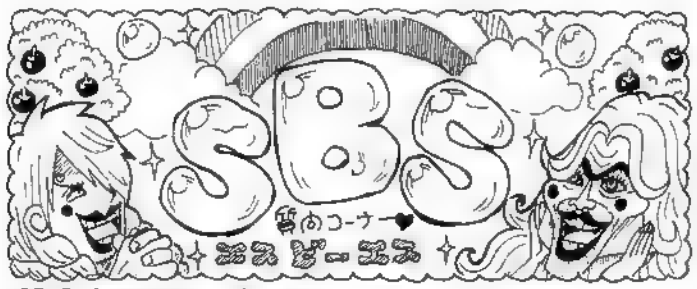
KU-KU-KUMA?!

THE VOICE OF SANJI, HIROAKI HIRATA!



(Skull Yukuchi, Iwate Prefecture)

Hello, how do you do?!
It's time for our fifth voice actor Question Corner! Who is it this time?! Yes! It's our favorite pervert cook! Sanji's voice! He's actually really good at cooking! And he's a real pervert too! If only he'd keep his mouth shut, people would think he's cool! Hiroaki Hirata in the house!

Oda (O): And now! To fulfill everyone's hopes! Here's Hirata!

Hirata (H): Yo! Here I am! It's finally my turn, isn't it?! Oh, hey! Beautiful ladies! Oh, Nami! Are you watching me? I'm doing the Question Corner right now—Hgeegh!

O: Wait, "Hgeegh"? What is that?

H: Uhh, didn't you write that line somewhere?!

O: Did I? I don't remember at all. Anyway, here are the postcards, so let's do the SBS Question Corner and...

H: Hold on just a second! Do the usual. I always read this part, you know? What happened to your usual questioning about what SBS stands for?

O: I'm done with that. You guys do nothing but try to poke fun at it anyway. Oh, Mr. Hirata's getting depressed... Okay, fine. Then do you know what SBS stands for?

H: What?! (Huge grin) Why would you ask me that all of a sudden? (Huge grin) Man, good question!

O: Whatever. You probably didn't think of anything. Just tell me now.

H: (W)hoops, (D)on't (K)now!

O: You really didn't think of anything!? Not even one letter matched!?

His Question Corner continues on page 206. ☞

HUFF

HUH?
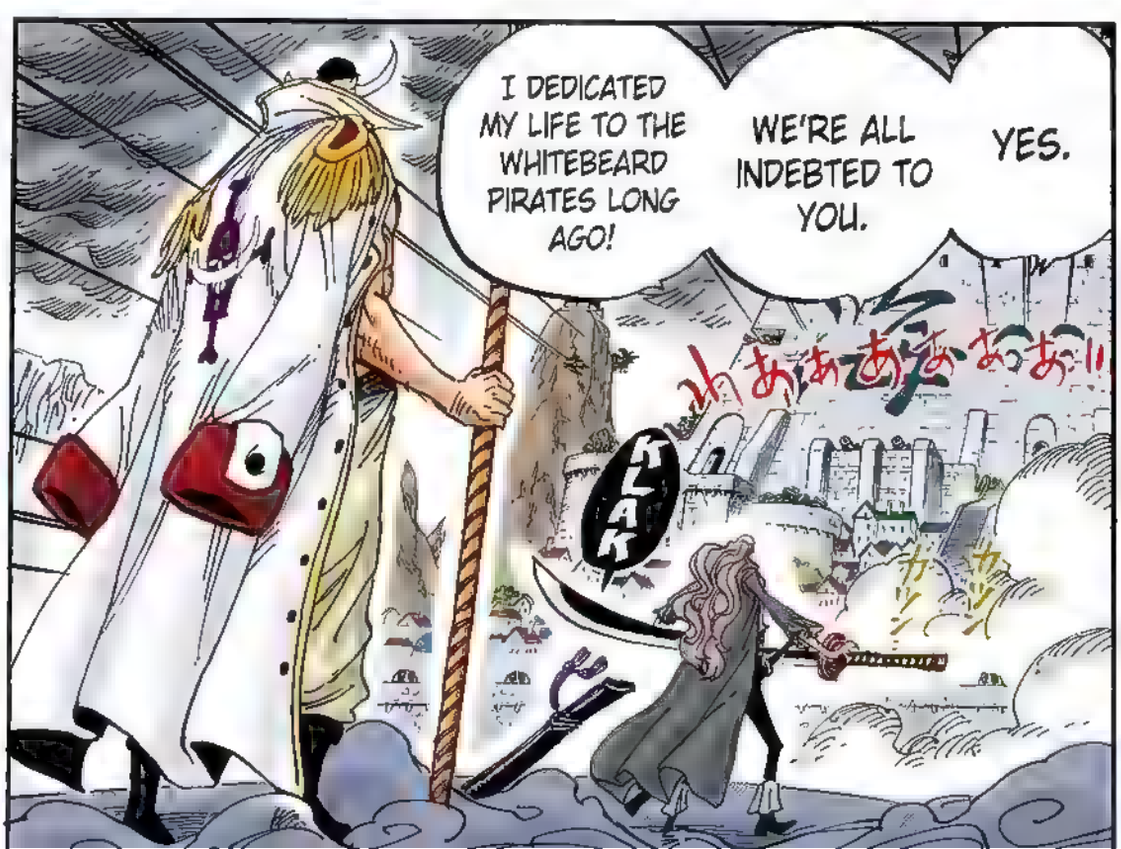
THERE'S SQUARD.



I DEDICATED MY LIFE TO THE WHITEBEARD PIRATES LONG AGO!
WE'RE ALL INDEBTED TO YOU.

KLAK

OUR FIRST-RATE COOK, HIROAKI HIRATA!

(Monkey B. Lily, Chiba)

Reader (Q): Mr. Hirata, I think you have already been fused in body and mind with Sanji, but what really is going on with Sanji's mystical left eye? Can you draw it out?

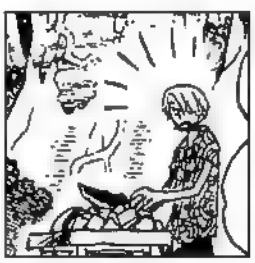
--My Top Measurement is 92cm♡

Hirata (H):

Q: Is there anything that's curly on you?

--Tamaki

H: My wie@#r.



Q: Sanji is a great cook, but I also heard that you can do some cooking yourself! Is it true that you're good at making peperoncino? What other dishes are you good at making?♡

--Udonya

H: The peperoncino that I make is super spicy. There were about three younger members of my theatrical troupe that fell victim to it. Too bad for them. Oh, and I'm good at making curry and dumplings too.♪

Q: What is…love?♡ --Jan Jack Man

H: Sweet trials and tribulations.

Q: Are you perverted like Sanji? How do you treat the other people you act with? But before that... Take this!

Negative Hollow! -Courage Hero

H: I'm so sorry... Out of everyone, the only one I couldn't make perverted advances on was Mayumi (Luffy's voice actress).

Q: Marry me! I'm so much cuter than Nami or Robin! I'd do anything for Sanji's voice actor!♡ --Dilka

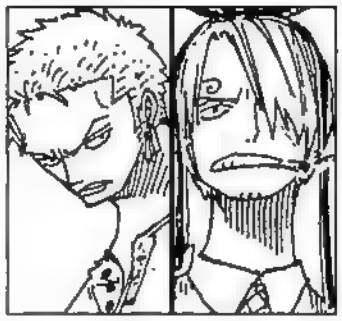
H: Hmm. Too bad. You were just a bit too late!

Q: Do you know "Zolo"? --How Do You Like Married Women?♡

H: Sorry. I don't know too much about foreign languages. Does it mean "fart?"

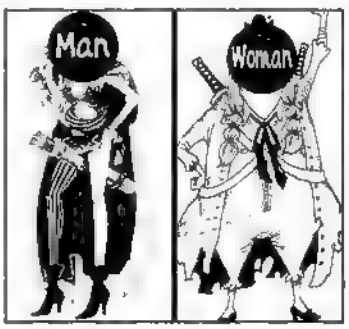
Q: Hello, Mr. Hirata. I heard from Mr. Nakai (Zolo's voice actor) that you're a mature adult that would never go peeping in a women's bath. You really would, right?

--Twirly Beam



H: Shhhhh! Be quiet! I'm in the women's bath right now!

Q: Look! There's a MAN with the perfect feminine body (but with balls) and a WOMAN with the face of a middle-aged man right in front of you! Which one will you choose? As a man, you'll pick THAT one, right?! Huh?! That one?! That one?!



H: Hmm... Yes, THAT one too.

Q: If you hadn't become a voice actor, what would you have become?

--Love Your Last Line Said to Zeff

H: A train driver. Either that or a manga creator that also works as a voice actor!

Q: Bro! Wait! Phew. Glad I caught up with you... *weez* *weez* Here's the smutty mag that you lent me. Bye!♪ --Yuccho

H: Took you long enough! I borrowed this from someone else too! Hey, Nakai! Sorry I didn't return this to you earlier.

Q: Let's have a cooking battle with Mr. Hiroaki Hirata! I got a roach and rat stew! Want some?

--Prince Dirty

H: What? Then I have stew made with soup stock from Cho-san's (Brook) bones along with Yao (Franky), Nakai (Zolo), and Kappei (Usopp). It smells like booze and farts and it'll cost you 8,000 yen!

Q: Mr. Hirata! I love you! You have to take responsibility for stealing my heart!♡ "Emporio Female Hormone!" (You can tell me in secret if your boobs are big or small.♡) --Death Wink Kikui

H: No! Stop! It's embarrassing! I got a big gut! A big gut!

Oda: Thank you, Mr. Hirata. Now I think it's time that we wrap this up and... Ahhhhhhhh! Scary!

H: Ahhhhhhhh!

Oda: Ahhhhhhh! See you next volume!

EIICHIRO ODA

尾田栄一郎

I hate it when things are already decided for you by someone else. From the day you are born, people say "You're born in the year of the rabbit!" Or "You're a Capricorn!" No way! Those animals just sound weak! So I'm changing it myself. I was born in the Man-Eating Giant Rabbit Year. I'm also an Anaconda-Swallowing Devil Capricorn. Wow, that's scary. But they sound strong. Anyway, volume 58 is starting!

-Eiichiro Oda, 2010

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

IT WAS A REBEL FROM THE NAVY! HE TOLD ME THAT IF I STABBED YOU, MY MEN WOULD BE SPARED!

I'M AGAINST THIS OPERATION. THE ONLY ONE WHO DESERVES TO DIE IS WHITEBEARD!

WE CAN'T PASS UP THIS OPPORTUNITY, BUT IF YOU DO WHAT I ASK, NEITHER YOU NOR YOUR CREW WILL BE HARMED!

YOU'VE ALWAYS BEEN ONE OF MY MOST LOYAL FOLLOWERS. WHO WAS IT WHO LURED YOU INTO THE DARK DEPTHS OF DOUBT?

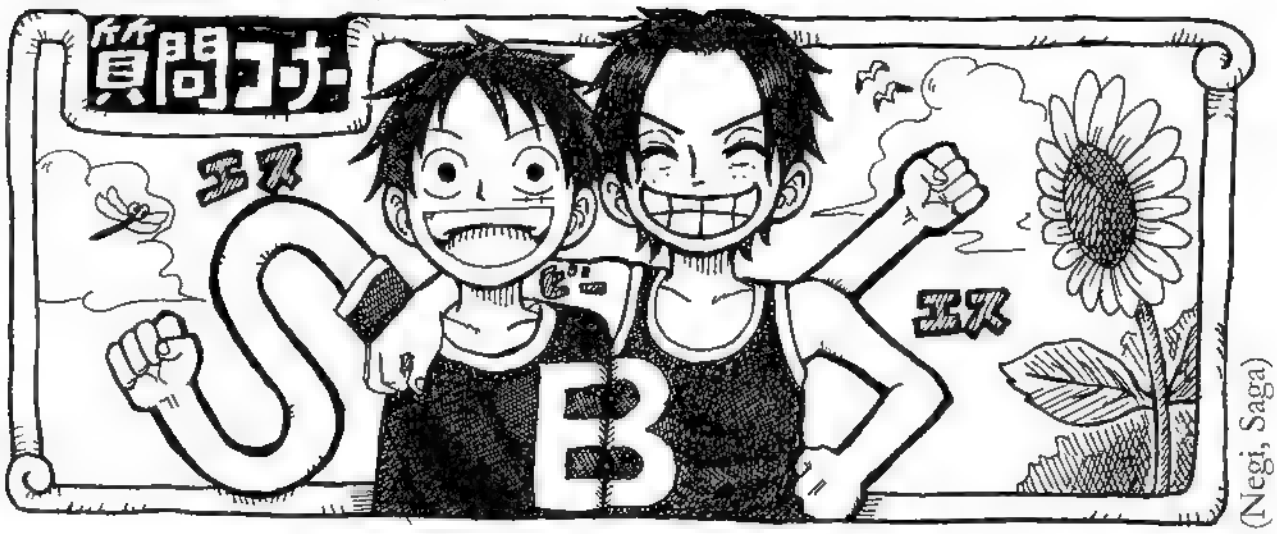
BUT YOU EXPECT TOO MUCH OF ME, CROCODILE! I'M JUST ONE MAN WITH ONE HEART
...
THEY CALL ME A FIEND AND MONSTER, BUT I CAN'T REMAIN THE STRONGEST FOREVER!
IF I CAN HELP ONE YOUNG PIRATE ACHIEVE HIS DESTINY, MY LIFE WILL BE COMPLETE. ISN'T THAT ENOUGH?!
POPS...



(Negi, Saga)

Reader (Q): I'm going to start SBS now.
Whoops, my ambition slipped out.
--Hanko

Oda (A): Ambition? You just granted your wish! ⅓ It is now officially started.

Q: So when is Whitebeard going to use the boomerang under his nose?
--Chi-chan

A: Hmm, well... Probably when he goes to the park with his dog.
"Go get it, Stephen!" *Swirl*
"Woof?!"
"It's not a Frisbee so it comes back! Ga ha ha ha!"
Wait, what?!

Q: I have a question. Does a banana fit inside Whitebeard's beard? Is that thing like a "banana pouch"?
--Samsam

A: Yup. If you open the zipper on the back, you'll find some bananas. You can line them up, three on the right side and three on the left, bringing it up to a total of six bananas. "Come on, men! It's time for a battle! Have some bananas first! Ga ha ha ha!" What do you people think Whitebeard is, anyway?

Q: Hello, Mr. Oda! I have a question. Is Whitebeard, Edward Newgate, a Logia type? Or a Paramythia type? Whitebeard didn't freeze even when he was attacked by Aokiji. Personally, I think he's a Logia.
--NY

A: I guess it's hard to see, but he's a Paramythia type. The Tremor-Tremor Fruit is considered to be one of the most powerful fruits among the Paramythia types. Because he's an "Earthquake Human," you might think he would be a Logia type, but in that case, Whitebeard himself would have to be an earthquake. Whitebeard can cause earthquakes. In other words, he can cause tremors or shaking that start these earthquakes. In short, he's a Paramythia type that's as powerful as Logia types.

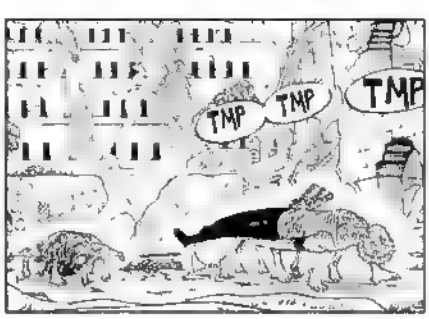
(Hiroshi Suyama, Tokyo)

Q: Grrr!
--D. Hosokawa

A: What was that?! Was that some beast growling at me?! Y-You heard that too, right?! Uh-oh! Uh-oh uh-oh! Okay. Moving on.

Q: I've turned 28 and every single day, I think about *One Piece*. There's this question I want to ask. In a *One Piece* art book, there was this technique called Face Fleurs where Robin's face appears on the back of Chopper's head. What situation is that supposed to be used in? I couldn't help but laugh when I saw it.
--Tony Tony Chappy

A: I see. Well, for the people who don't know, there was a section in an art book that shows parts of my notes and this was one of the things shown. To tell you the truth, there was a scene during the Skypiea arc where Robin had to transport her unconscious crewmates. At that time, I thought that sprouting faces, arms and legs on her crewmates might make transporting them really easy. But it was so creepy that I decided not to do it. But if you really like it, I might do it some other time.



Q: Hello, Mr. Oda! There's one thing that's been bothering me. Why does Ace have freckles? My mother calls him that "freckle-faced guy" all the time. Isn't that terrible?
--Rihosuke

A: Speaking of freckles, it's known among my assistants that I always forget to draw the freckles (about 92% of the time). Well, setting that aside, Ace probably doesn't care about it either. Do you know about the saying from the old show Candy Candy, "I don't care if I'm freckle-faced!"? Yeah. For the people who don't know what I'm talking about, ask your mom or dad.

(Ayaka Masubuchi, Osaka)

Q: Odacchi! I got a question! Can you tell me the ages of the Seven Warlords of the Sea?!! --Jaichael Mackson

Q: I have a question for Odacchi! On Volume 56, Page 172-173, the Seven Warlords of the Sea look really tall. Can you tell me their heights?! --Keita

A: Sure thing. You want their age and height, right? I'll just add in Crocodile with them and we'll go with the tallest first.

Q: Odacchi! What's up! It might be sudden, but can you tell me Hancock's measurements?! --Amoeba Pirates Division One, Ii-chan

Q: Odacchi! This is my first time writing to you! There's something I want to ask you, but…what's Hancock's cup size? (Personally, I hope that she's a J-Cup.) --Erogappa

A: Well then, I got these letters above. You perverts! On top of that, Erogappa also had a message saying that he always enjoys my comics with his whole family. Erogappa's mother and father, your son sent me this kind of mail! He's a pervert! Anyway, I got the Snake Princess's measurements from Sanji! Here they are!
Bust: 111 cm! Waist: 61 cm! Hip: 91 cm! Mmm! Amazing!♡♡ And for her cup size, Erogappa wanted it to be a J-cup, so J-cup it is!♡ How do you like that, Erogappa's parents?!

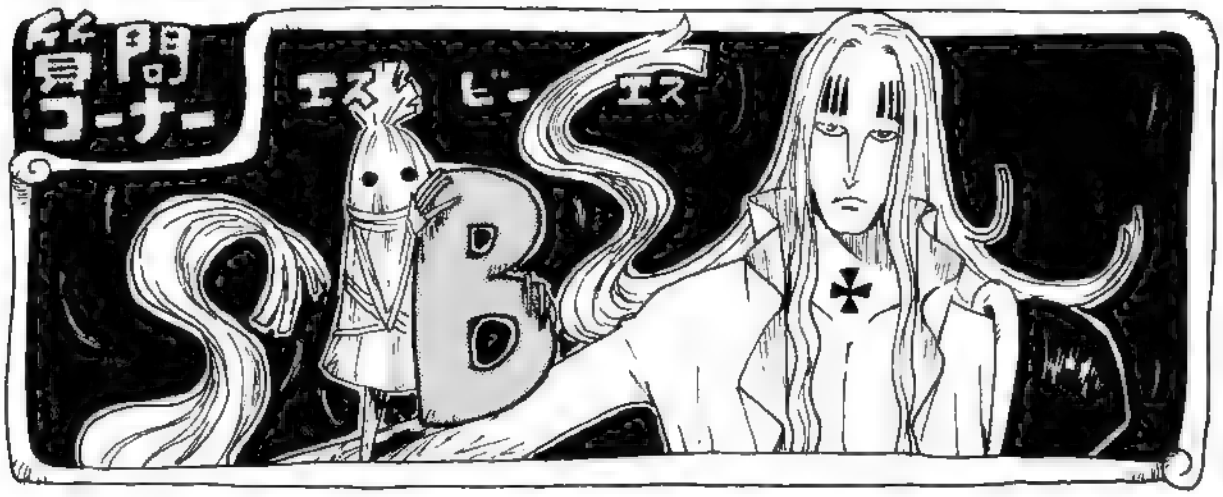
SBS Question Corner

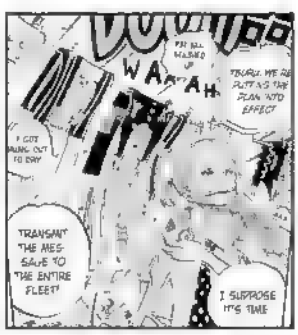


(Naji, Kochi)

Q: Mr. Oda! I have someone that promised that we'd get married if you let me get on SBS, so please post this letter!♡ You have to make my day, Odacchi!♡♡

--☆Shogo Michihata

A: Sure thing. There. It's posted. Now who's the lucky man?! You better keep your promise!



Q: I have a question. In chapter 556 of volume 57, there were a few pirates behind Tsuru that were being hung and dried. Who did that to them? Tsuru? And I'm wondering why they were hung there in the first place. And since Mr. 3 has been doing so well recently, can you explain it by talking like him?!

--Daddy of Two

A: You're right about them being hung out to dry! And you're right about the Naval Vice Admiral Tsuru being the culprit! Her Devil Fruit is the Wash-Wash Fruit! A "Washer Human"! She washes and dries any evildoer, cleaning up even their hearts just a little bit! Being able to wash away evil hearts, pirates find her to be quite a formidable foe! We must be careful!

Q: Hello, Odacchi! I have a 10 percent serious question. You know how there are some people that keep getting on Usopp Gallery Pirates in the Japanese volumes? Does that mean you're not the one picking and choosing which ones to post?! Or you're not even picking them seriously?! I really wonder about this! Answer me in exactly three lines!

--Sweet Strawberry

A: I am serious when I pick which ones to post! Wait, that didn't even take one line. I'll give you the long answer to this then. For every volume, we hold a meeting with my graphic novel editor Yokoyama, Usopp, and me. We decide which ones we'll post during that meeting. To me, I think that section should be composed of artists' works that my readers and I can fully enjoy. Just simply having your work posted isn't the end-all. I want their works to continually be posted so that you can have the readers enjoy it. I want their works to keep that motivation. That's why, if it's good, it'll get posted. Even if the person's art has been posted before. But in exchange, I won't give the grand prize to the same person twice. I really enjoy being a judge for this each time.

(Yoko, Niigata)

Q: Hello, Mr. Oda! There's something I really want to know. Please tell me the names of all the division commanders that Whitebeard leads! I'm especially wondering about the person carrying the giant iron ball and the samurai-like person!

--Semaru

A: Okay. There's so many questions about the behind-the-scenes stuff about the war this time! Anyway, I'm only answering because you asked. Stuff that's talked about in SBS really doesn't need to be remembered for the main story. I don't talk about certain things in the main story because I omitted them on purpose. I think that too much unnecessary information will only confuse the readers. So please enjoy the stuff in SBS strictly as an extra. Now here are the division leaders of the Whitebeard Pirates.

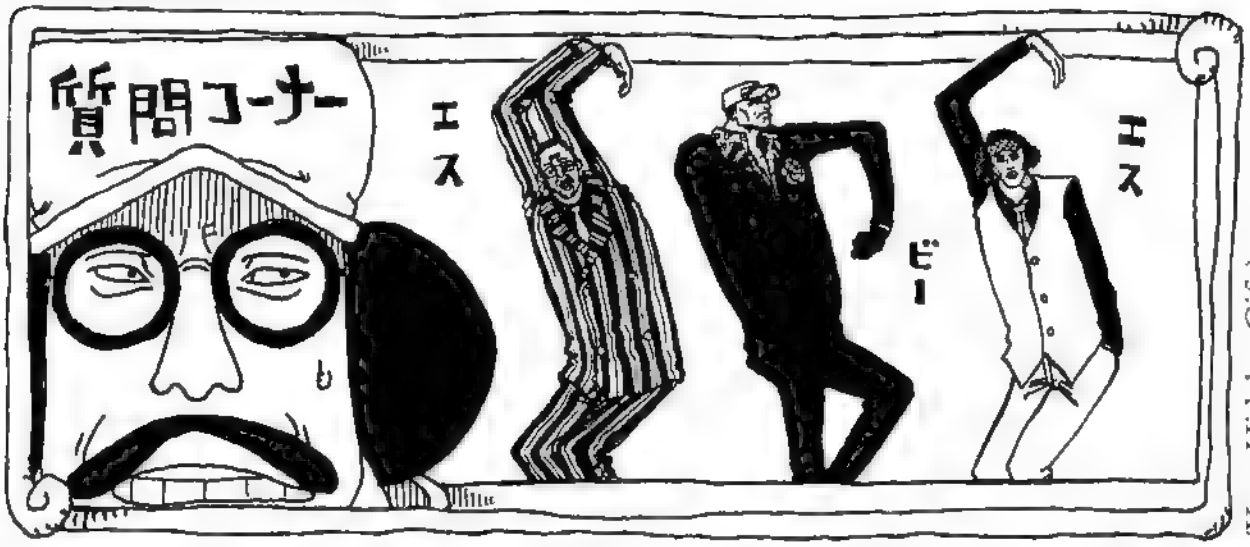
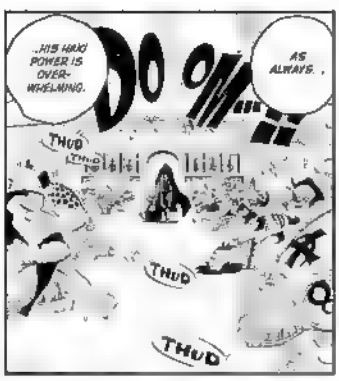
SBS Question Corner



(Kota Hidaka, Gifu)

Q: I just learned how to use Haki recently. My friends around me are collapsing left and right. What should I do?



--New Year's Man

A: Uh-huh. That's amazing. If that Haki has the color of the supreme king, then you better learn how to control it quick. Or else your friends are going to suffer. The other possibility I can think of is that you stink so much that your friends are passing out. If that's the case, go take a bath.

Q: There was something I wanted to ask you so I picked up a ballpoint pen to write this to you. It's about Emporio Ivankov. He looks very similar to Dr. Frank-N-Furter of the Rocky Horror Picture Show. What do you think?

--I love Yu-kun♡Takashi

A: That's right. Rocky Horror Picture Show is a movie that all B-movie horror film lovers would know about. It's a very stupid film, but I love it to death. Kama Land is pretty much based on it. His looks are based on that character, but there's actually another person that I based Ivankov on. Despite having already brought out Bon Clay, that person made me want to create a REAL cross-dressing character! That person was in the same theater troupe as the voice actress for Luffy, Mayumi Tanaka. When I saw his theater performance, I was stunned! His name is Norio Imamura. Because his face looked like a rock, I mistakenly remembered his name as Iwamura, ["Iwa" means rock in Japanese.] which I then shortened to Iwa-san. On top of that, after Imamura found out that "Iva" was based on him, he rushed to the anime auditions for the character and was cast. In short, a real cross-dresser, Norio Imamura, who was the model for Iva, is playing Iva in the anime series! Stunning!

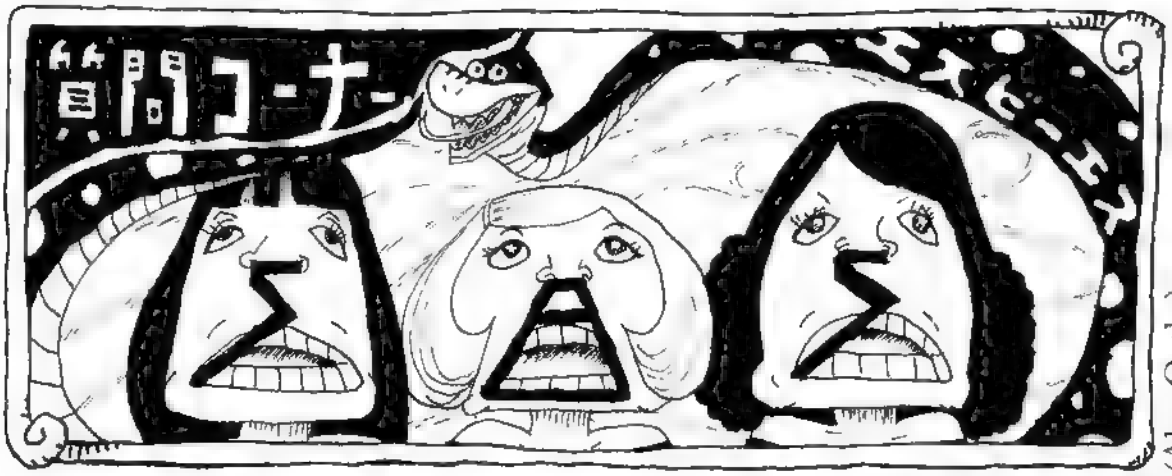
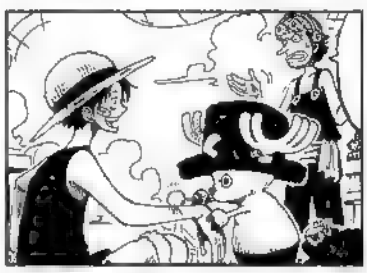
SBS Question Corner



(Ako, Osaka)

Q: I admired Chopper and went to medical school. Huh? What? You don't believe me? I-It's true. I-I got motivated from looking at Chopper treating his buddies… I-It's not because I wanted to do medical examinations on Nami!



--Shimizu Chamoroe

A: Shimizu Chamoroe!? When did you get out of prison?! Sheriff! Hurry up and catch him! He's a pervert that's always trying to mess up SBS (Refer to volume 55)! If he became a doctor, who knows what kind of freak accidents would happen!? What?! No, not me! Huh? What's wrong with being naked underneath my coat?!

Q: Pleased to meet you, Mr. Oda. After reading volume 57, this came to my mind. I can't tell the difference between Marco the Phoenix's Mythical Zoan type, and Ace's Flame-Flame Fruit.

--CNY

A: I thought so. For this war arc, I omitted a lot of explanation to keep the pace going. To be more specific about Marco's powers, since he is a Zoan type, his body is still physical. But the Blue Flame of Revival is a power of the phoenix and can heal his wounds, nullifying most attacks (But the healing has limitations.) It means the fire is for revival. But unlike real fire, it doesn't spread or give off heat of any sort, making it completely different from Ace's flames. This might come into play in the main story at a later time, so I'll leave it at that for now.

Q: Mr. Oda, in your SBS you say…perverted things, you know? (I'm sorry if that offends you.) Doesn't your wife complain? If she doesn't, she's like the perfect wife for manga artists. I'm impressed. No, seriously. I am.

--12 year old girl

A: I say even weirder things at home, so it's okay! This ends my SBS for this volume!

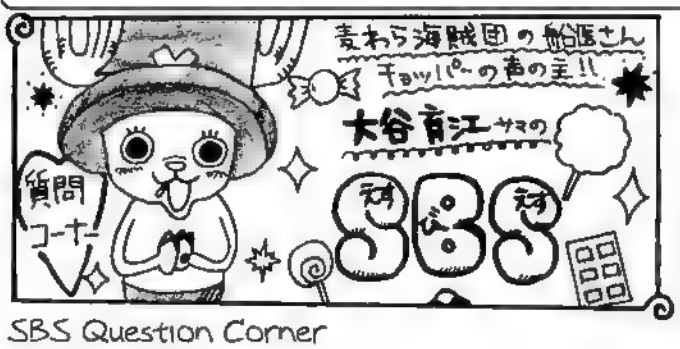
CHOPPER'S VOICE ACTRESS, IKUE OTANI!



(L, Ibaraki)

SBS Question Corner

HDYD! (How do you do?!)
This is...how many times did we do this again? Oh yeah, six! This is our 6th voice actor/actress Question Corner! Let's start! She's the one who's voicing every single cute mascot character in Japan! No one can do cuter voices than she can! On top of that, she's one of the best actresses I've seen! Oh yeah, she's tiny and cute too! Here is the voice of our ship doctor, Chopper! The tiny Ikue Otani, in the house!

Oda (O): Now is everyone ready? Let's have her introduce herself! Here comes Ms. Otani!

Ikue (I): Yo.

O: That's so short!ミ That really scared me!ミ

I: Hey, Odacchi. Did you have to say "tiny" when you introduced me?

O: Oh, right. Sorry. Actually, I'm not sorry.

I: You should be!ミ

O: Anyway, this is a question corner called SBS. Do you know what it stands for?

I: Of course I know.
(S)howing off my (B)ombshell rock, paper and scissors.
(S)o what's that?

O: That's what I want to know!ミ So you don't know it. Here's a hint! You take questions and ask for submissions and...stuff.

I: Oh, I get it now!
(S)urprise! (B)lossoming! (S)unrise!

O: I'm the one being surprised!ミ Whatever. I'll just leave it at that...

Otani's SBS continued on page 202!

PREVIEW FOR NEXT VOICE ACTOR'S SBS

The next two will feature these two!

Robin (Yuriko Yamaguchi)

Franky (Kazuki Yao)

The very easygoing Yuriko and the perverted Yao. It should be a lot of fun! We'll be waiting for your nonsensical questions!

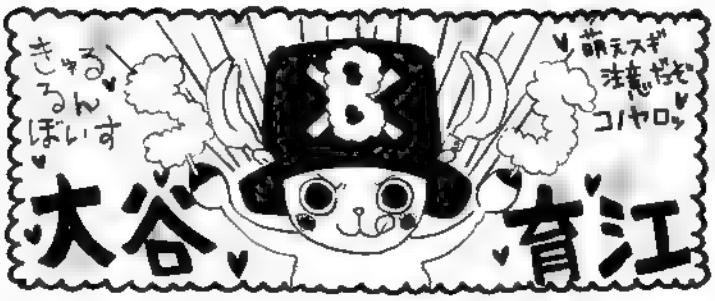
OUR SHIP DOCTOR, IKUE OTANI!



(Haruka, Osaka)

Reader(Q): Ms. Ikue Otani, do you also do Chopper's voice when he's big?

--Karen

Ikue(I): That's right. My voice when he's in Berserk mode has production effects on it, but I do all of Chopper's voices.

Q: How do you do!☀ When Chopper gets big, do you get big too? I heard you're a voice actress that goes for realism!

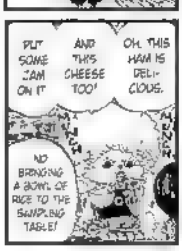
--Macherie

I: Nope. I'm always BIG. But since I'm playing the part of the tiny Chopper, I have to shrink most of the time. BECAUSE I GO FOR REALISM.

Q: So, give it to me straight. Which one is bigger? A life-sized Chopper, or you.

--Funako

I: What?! You're unsure about that?!



Q: Ms. Otani! Is it true that you put jam on everything?!

--Mihon

I: Yup. I even put jam on jam.

Q: Hello, Ms. Ikue Otani!↗↗ I have a question.⏱ Among the other voice actors and actresses, who is the one that you're the closest♡ with?⏱ And who is the funniest? Please tell me!☆≡

--Eikichi

I: It's hard to say which one. But I think the funniest one is the Captain! I'm really impressed at how many pranks she comes up with.

Q: Can you think of a new technique for Chopper?

--Redbeard

I: Doctor's Orders!

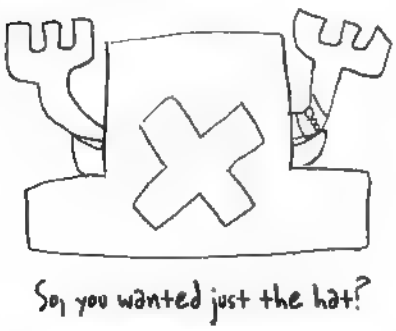
Q: Ms. Otani, do you also have seven crazy transformations?

--Don't Mind Sekiguchi

I: Yeah, something like that.

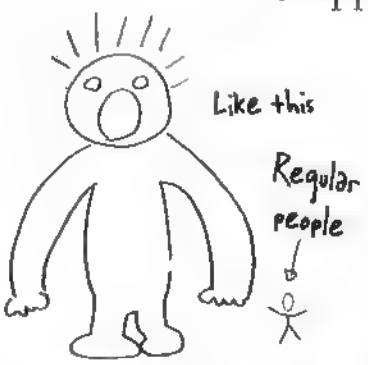
Q: Can you try drawing Chopper's hat without looking at any reference material? You can, right?
--Don't Mind Sekiguchi

I:



Q: Tell me what happens, when you, Ms. Otani, eat three Rumble Balls. Please draw it.
--Chappie

I:



Q: Ms. Otani! I always love your cute voice! So for you… Take this!

Cotton Candy Attack! --Captain Chopper

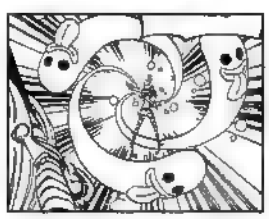
I: Ugh. Chew. Chew. Okay. You can come at me again!♡

Q: I have a question for Chopper.☆ Please cure my illness called "love sickness"! --Sugacchi

I: Let me have a go at this. Okay. Try finding me first.

Q: When Chopper gets surprised, his hat jumps off his head along with his antlers. When you get surprised, Ms. Otani, what jumps? --MASA

I: My heel.



Q: Otani! Take this! Negative Hollow!
(Sorry about that.) --Perona V

I: I'm so sorry I couldn't grow to be big even after eating so much...

Q: To Ms. Ikue Otani. I'm always watching you (on TV)! Chopper's voice is just too cute!♡ I always try to impersonate Chopper. So how do you bring out Chopper's voice anyway? Do you have any advice for me to get better at impersonating your voice? --Pepper's Sister

I: If you maintain his motto of "Be a man," anyone can impersonate his voice.

Q: Ms. Otani! I'll be honest with you! May I have your voice?!♡
--Reindeer Nakai

I: Sure. Here you go!♡

Oda: Time's up, Ms. Otani! Thank you. Huh? Did your voice just change? What? You gave your voice to Reindeer Nakai?! Hmm, that's bad... So, Reindeer Nakai. Do you think you can make it to the recording session next week?! You can? That's great! (Is it?!)
See you all next volume! Oh, no! Ms. Otani is now unemployed!

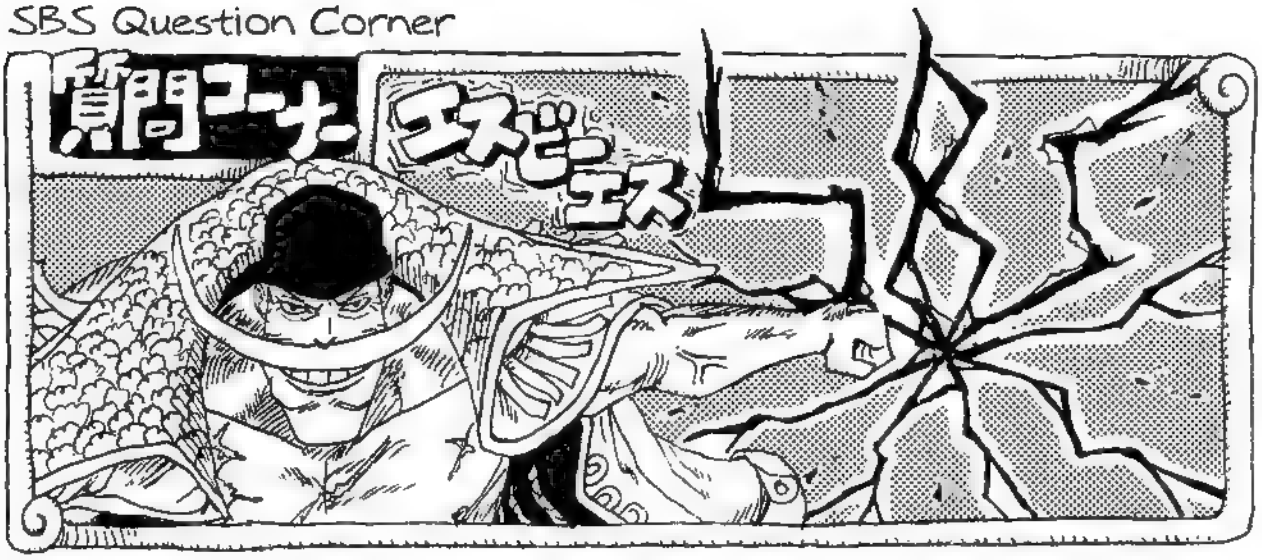
THE BLACK-BEARD PIRATES!!



(Ponio, Aichi)

Reader(Q): Hello, Mr. Oda. We can now borrow *One Piece* from the library. If a volume's not available in the neighborhood library, we can have one sent in from another one in the same city through the library's network. Even if the library in your city doesn't have a copy of *One Piece,* you can just put in a request to have them include it. Now even small children can read *One Piece* for free. Anyway let's start SBS.

--Faint Hollyhock

Oda(A): *Gasp*!? Oh, it's already started?! You freaked me out! I was reading what you were saying so intently. Wow, they have manga in libraries now?! I see. That's something I didn't expect...and hadn't heard before. Manga in a library?! Well, this should be great for the little kids. Let's go to our local library! Speaking of free stuff, you can go to ONE PIECE WEB on the Internet to see a summary of the stories for free too.

Q: Odattsu! (this is so old…) Sit down! Put away your smut rags! This is about old man Garp's disappearing scar! I had lots of free time so I checked through chapter 580 and discovered…25 instances! (BOOM!) Though it's highly subjective, that's how many I found. He doesn't appear that much, but his scar sometimes disappears really obviously. I guess everyone makes mistakes. I'm going to assume that you intend to apologize, so as punishment, I'm going to confiscate your favorite book that you hide behind your cupboard.

--Shimeji SP

A: Look at it this way... Maybe when his sworn enemies come close to him...his scar actually becomes more visible. Something like that? That's why you don't normally see the scar. It's a special kind of scar that comes out only during special circumstances. WHAT AM I SUPPOSED TO DO WITH THIS?! Maybe it's a mistake when you see the scar! (Okay, that's not true.) Anyway, give me back my book! Give me back my book! I'll be more careful next time so give it back to me!

Chapter 576: THE GREAT PIRATE EDWARD NEWGATE

THE ORDERS WERE SIMPLE-- TO LET ANY WAR-SHIPS THAT WENT NEAR THE GATES OF JUSTICE PASS.
BEFORE WE DEPARTED, I HYPNOTIZED THE MEN IN THE POWER ROOM.
HO HO HO! I'M SORRY. IT WAS A VERY SIMPLE TRICK!

THAT'S WHY I NEEDED TO BECOME ONE OF THE SEVEN WARLORDS!

Q: Who're you calling Four Eyes?

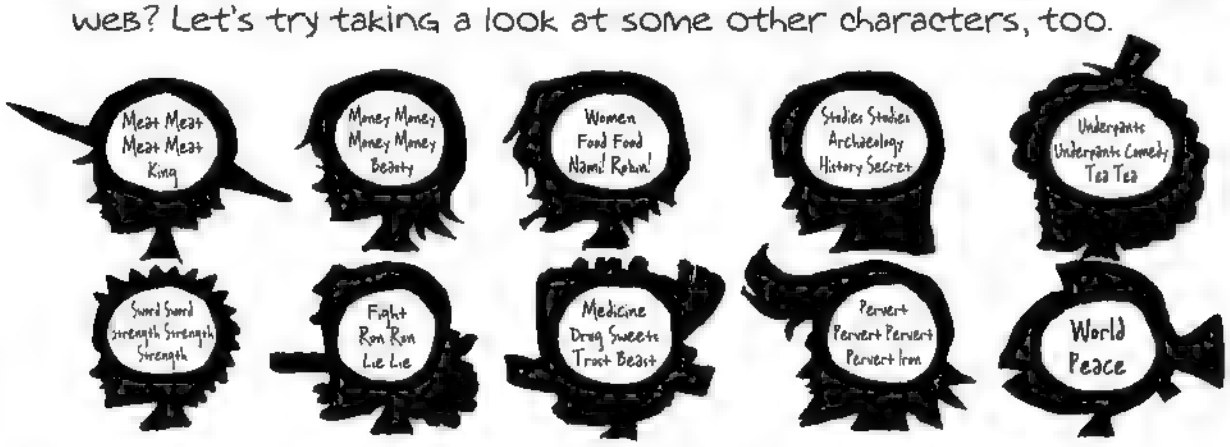
--Hidaruman

A: Okay. I'll pretend I didn't see that. Moving on to the next letter.

Q: Hello, Mr. Oda! This might be sudden, but can you show what's inside Luffy's head?! I want to know what's going inside your head too. Half of what's inside my friend's head is smut and the other half is games.

--Is it true that Mr. Oda's head is full of smut?!

A: You want to know what's inside his head? Can I just use that Brain Maker thing that was popular a few years ago on the web? Let's try taking a look at some other characters, too.



Also know that everyone's heart is filled with "friendship."

Q: Can the affiliate pirates of the Whitebeard Pirates (I'll call them the main force from here on) actually become an official division of the main force? Or is that reserved for the people that had always been with the main force?

--Amanatsuu

A: The structure of the Whitebeard Pirates is as follows. First, we have Whitebeard as the captain. Then we have the 16 division commanders. All 16 of the division leaders are on equal standing. Just because they have different numbers doesn't mean one has authority over another. The entire Whitebeard Pirates are built around these 16 teams. Now we have the 43 affiliate pirates of Whitebeard. They are not actually a part of Whitebeard's crew and they act completely independently. But because they have so much respect for Whitebeard, they will come to his aid at the drop of a hat. That's what they are. In Ace's case, after the Spade Pirates were disbanded, all of his crew joined the Whitebeard Pirates, so he became a division commander through that...

SBS Question Corner

(Aoki Shunsuke, Wakayama)

Q: What's up! Your careless statement in volume 58 made me into a "Man-eating Giant Rabbit Year" and "Anaconda Swallowing Devil Capricorn." What do you have to say for yourself?!

--Herbivore

A: Oh, is that so? So you're also one of those people who was told that you were born in Rabbit Year and that you're Capricorn since birth? But you still don't like the ones I thought of? Fine, I will think of something else for your zodiac and sign. I hope you'll like it. You are now an "Underpants Hat Pervert Rabbit Year" and "Getting Weird Ideas from Looking at the Assembly Line Pervert Capricorn."

Q: Hello! (・∀・) I'm an 18-year-old who loves Bob Dylan. When I saw chapter 572 and saw the title, it's that famous tune by Bob Dylan! "The Times They Are A-Changin'"! I was so surprised when I saw it. Are you also a fan of Bob Dylan, Odacchi? It's really great to see how the title and what happened in the chapter matched so well! (LOL)

--I Listen to Bob Dylan to Cheer Up

A: Yes, you're right. It's something that only people who know it would understand. I did it again. Bob Dylan is this huge American singer. I don't really know that much about him, but I figured that this title was perfect, so I used it. When the chapter was being serialized in Jump, it was just the English title. But thinking that some people might not understand, I added a Japanese translation of it in volume 58.

HURRY UP AND TREAT THE WOUNDED!

FLEET ADMIRAL?!

THAT'S FINE BY ME, "RED-HAIRED." I'LL TAKE RESPONSIBILITY FOR THIS.

WHAT?! BUT WE NEED TO SHOW OFF THEIR SEVERED HEADS TO CELEBRATE OUR VICTORY!!

I DON'T MIND!

!?

YOU'VE ALREADY BROADCAST THE BATTLE THROUGHOUT THE WORLD.

I WON'T ALLOW YOU TO GO ON MAKING A SPECTACLE OF THEIR DEATHS.

WE'LL SEE TO THE BURIAL...

...OF WHITEBEARD AND ACE.

...IS OVER!!

THIS WAR...

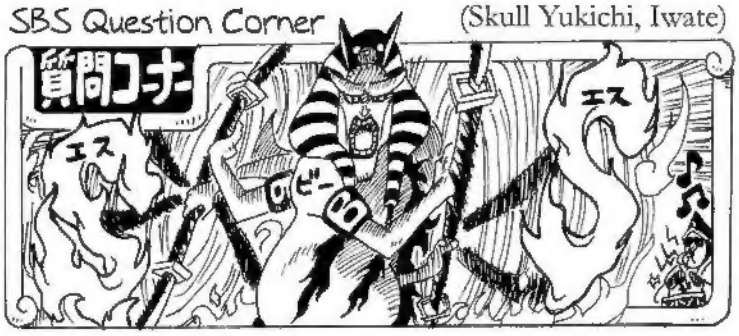
ォォォォォォォォォォ!!!

THUS ENDED THE GREATEST BATTLE OF THE GREAT PIRATE AGE.

THE PARAMOUNT WAR OF MARINEFORD WILL BE CARVED DEEPLY INTO THE TABLETS OF HISTORY.

SBS Question Corner

(Skull Yukichi, Iwate)



A: It's time for BIO! (Bring it on!) Now let's start! Yep. Hey, you guys! Why are you picking all the character birthdays on your own?! Anyway, I put a lot of my love into the characters too! I won't let you decide all of them! Bring it on!

Q: About Law's birthday, how about making it October 6, since that sounds similar to the first symbols of his name in Japanese?

--Hamuchi

A: Sure.

Q: I have a request. My favorite pirate in all of *One Piece* is Blackbeard, Marshall D. Teech. How about making his birthday August 3, since 8 and 3 can be read in Japanese to sound like the name of his power?

A: Sure.

Q: Listen to this! A new guy at my workplace said that he didn't know Marco's birthday! His birthday is October 5! It's so easy to remember since he's the leader of Division 1 and Marco could be read as 0 and 5! Don't you think so, Mr. Oda?!♡

--Whitebeard Nurse Team Medical Chart Writer, Marunyamu

A: Uh...sure. I guess so. Yeah... That's correct.

Q: Let's make Crocodile's birthday September 5. Since the first part of his name could sound like 9 and 5. When we're picking birthdays, you never seem excited. Why don't you get Iva to get you some Emporio Energy Hormone before you answer me?

--Akimasa Ultimate

A: Woohaa! Sure thing! Wooohaaaa!!

Q: This might be sudden, but let's make Iva's birthday January 8. What do you think?

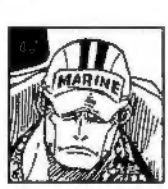
--First-gen Kitetsu

A: Sure thing! Woohaa!

Q: So about the Marine Admirals... How about making their birthdays the same as the people they're based on?

Aokiji-September 21 (Yusaku Matsuda)

Kizaru-November 23 (Kunie Tanaka)



Akainu-August 16 (Bunta Sugawara)

What do you think?

--Nishimura's Friend, Taku

A: Whatever! Do what you want! Woohaa!!
